Chapter 1 by Arkham Knight

This is a story about heroes vs heroes and villains vs villains, worlds vs worlds, universe vs universe. This is Marvel Vs. DC.

Chapter 2 by Sci-Fi Pie

"This is the 276th... man there have been a lot of these... meeting of the Illuminati," Tony said to everyone else in the room i.e, Mr. Fantastic, Namor the Submariner and Black Panther.

"Today we will decide who we will send to protect our universe against this so-called 'Detective Comics' universe. We will only choose the mightiest of the mightiest," said T'Challa.

"I believe each one of us has made a list of the 10 they think should go to battle. Based on everybody's list, we will all decide upon an elite team that can take these guys down." Mr. Fantastic explained.

"I'll go first," Namor said. "I have, Thor, Hulk, Silver Surfer, Captain Marvel, Juggernaut, Sentry, Quasar, Hyperion and Doctor Strange."

Chapter 3 by Glowpy-Druglord

"Whatever," The teenager beside Tony muttered. Her legs were crossed at the knees, her robotic leg twitching. "You guys are such babies. Overreacting because an alternate universe has come into view and your worried about fighting." She rolled her eyes. "Seriously, it's like you guys are on a loop."

Tony sighed, scowling at her. "Villains are never going to be as productive to say, go away!"
